

Vanderbilt Covid Disruption Study

Teacher Survey Winter/Spring 2022

Date Completed _____

Thank you for participating. We appreciate the time, effort, and expertise you offer in completing this survey. Neither your name or any other identifying information will be used in any research reports or made available to persons outside the research project. If you have any questions, please contact: Janie Hughart, 615-343-2520, jane.e.hughart@vanderbilt.edu.

Please provide some background information about yourself.

1. How many years have you been teaching high school? _____
2. How long have you taught at your current school? _____
3. What grade levels do you teach? (Please check all that apply.)
 - a) 9th grade
 - b) 10th grade
 - c) 11th grade
 - d) 12th grade
4. What courses do you currently teach? _____

Please think back to the 2020-21 school year (LAST year), which was the first full school year during the pandemic. We'd like to ask you some questions about your experiences during that year.

1. How would you describe the support you received from your school/district during the school disruptions due to COVID-19?

Very Supportive	Somewhat Supportive	Neither Supportive nor Unsupportive	Somewhat Unsupportive	Very Unsupportive
-----------------	---------------------	-------------------------------------	-----------------------	-------------------

2. How would you describe the communication you received from your school/district as plans were being developed to reopen schools in Fall of 2020?

Communication was very clear and helpful	Communication was somewhat clear and helpful	Communication was unclear, unhelpful, or leaders did not communicate or kept changing
--	--	---

3. Which of the following supports did you receive last year (2020-21) during the school disruption? (Mark all that apply).

Ideas/strategies for motivating and engaging students online	Received	Did not receive
A computer or other device for remote teaching	Received	Did not receive
Specific supports for students with disabilities	Received	Did not receive
Printing services for learning packets	Received	Did not receive

Training for virtual teaching platforms	Received	Did not receive
Training to support students' emotional well-being	Received	Did not receive
Information on all the students in my classes	Received	Did not receive
Other		

4. How difficult was it to use new technologies to teach students remotely during the school disruption?

Very difficult	Somewhat difficult	Neither difficult nor easy	Somewhat easy	Very easy
----------------	--------------------	----------------------------	---------------	-----------

5. How did you monitor student engagement during the school disruption? (Mark all that apply)

Reviewed students' work and gave detailed feedback	Monitored	Did not monitor
Graded students' online work	Monitored	Did not monitor
Graded students' learning packets	Monitored	Did not monitor
Tracked engagement on an online learning platform	Monitored	Did not monitor
Took attendance in virtual instruction	Monitored	Did not monitor
Directly contacted students via email, telephone, or some other direct method (Zoom, text, etc.)	Monitored	Did not monitor

Now please think about THIS school year (2021-22). We'd like to ask you some questions about your experiences teaching during this year.

6. How would you describe your students' learning in your subject area as a consequence of the school disruptions last year now that we're in the 2021-22 school year?

Significant learning loss	Some learning loss	No learning loss	Some learning gains	Significant learning gains
---------------------------	--------------------	------------------	---------------------	----------------------------

7. This year, how much of your teaching is having to be spent on reviewing previous content instead of teaching new content?

>75% of my teaching is review	50-75% of my teaching is review	25-50% of my teaching is review	<25% of my teaching is review
-------------------------------	---------------------------------	---------------------------------	-------------------------------

8. How does the amount of review you're having to do this year compare to previous years?

A lot more review	Some more review	About the same amount of review	A bit less review	A lot less review
-------------------	------------------	---------------------------------	-------------------	-------------------

9. How much assistance are you receiving from the district or your school to help you remediate any learning losses from last year?

None	A small amount but not sufficient	A moderate amount	A great deal, sufficient	Do not see learning losses in my students
------	---	----------------------	-----------------------------	---

10. Indicate whether you or your school offers any of the following forms of extra help to students in your school.

One-on-one meetings with me or other teachers

This is not available at my school
 This is available and optional to students who need extra help
 This is available and required for at least some students who need extra help
 I don't know

Free tutoring (whether in a small group or one-on-one)

This is not available at my school
 This is available and optional to students who need extra help
 This is available and required for at least some students who need extra help
 I don't know

Meetings with reading specialists

This is not available at my school
 This is available and optional to students who need extra help
 This is available and required for at least some students who need extra help
 I don't know

Meetings with math specialists

This is not available at my school
 This is available and optional to students who need extra help
 This is available and required for at least some students who need extra help
 I don't know

Extra online materials for students to use on their own

This is not available at my school
 This is available and optional to students who need extra help
 This is available and required for at least some students who need extra help
 I don't know

Special courses at my school (e.g., credit recovery, supplemental online courses, remedial courses)

This is not available at my school
 This is available and optional to students who need extra help
 This is available and required for at least some students who need extra help
 I don't know

11. Are you worried about the future educational achievements of your students?

Very worried	Moderately worried	Sometimes worried	Only a little worried	Not worried at all
--------------	-----------------------	----------------------	--------------------------	--------------------

Please answer the following questions about this school year (2021-22) compared to last year (2020-21).

Compared to last year (2020-21), **students this year** are (mark all that apply):

- More kind and supportive of one another
- Having more trouble concentrating
- More often respectfully listening to each other during classroom discussions
- Having a harder time making friends
- Enjoying being at school less
- Feeling safer at school
- Less likely to report bullying and aggression
- None of the above

Compared to last year(2020-21), **teachers this year** are (mark all that apply):

- Taking more time to help students work out their differences
- Less likely to know when students are being picked on or bullied
- Treating students with more respect
- None of the above
