

Vanderbilt Covid Disruption Study

Teacher Survey Winter/Spring 2023

Date Completed _____

Thank you for participating. We appreciate the time, effort, and expertise you offer in completing this survey. Neither your name or any other identifying information will be used in any research reports or made available to persons outside the research project. If you have any questions, please contact: Janie Hughart, 615-343-2520, jane.e.hughart@vanderbilt.edu.

Please provide some background information about yourself.

1. How many years have you been teaching high school? _____
2. How long have you taught at your current school? _____
3. What grade levels do you teach? (Please check all that apply.)
 - a) 9th grade
 - b) 10th grade
 - c) 11th grade
 - d) 12th grade
4. What courses do you currently teach? _____

Please think about this school year (2022-23). We'd like to ask you some questions about your experiences teaching during this year.

1. How would you describe your students' learning in your subject area as a consequence of the school disruptions from the COVID-19 pandemic now that we're in the 2022-23 school year?

Significant learning loss	Some learning loss	No learning loss	Some learning gains	Significant learning gains
---------------------------	--------------------	------------------	---------------------	----------------------------

2. This year, how much of your teaching is having to be spent on reviewing previous content instead of teaching new content?

>75% of my teaching is review	50-75% of my teaching is review	25-50% of my teaching is review	<25% of my teaching is review
-------------------------------	---------------------------------	---------------------------------	-------------------------------

3. How does the amount of review you're having to do this year compare to previous years before the pandemic?

A lot more review	Some more review	About the same amount of review	A bit less review	A lot less review	Have only taught since the pandemic
-------------------	------------------	---------------------------------	-------------------	-------------------	-------------------------------------

4. How much assistance are you receiving from the district or your school to help you remediate any learning losses from the pandemic?

None	A small amount but not sufficient	A moderate amount	A great deal, sufficient	Do not see learning losses in my students
------	-----------------------------------	-------------------	--------------------------	---

5. Are you worried about the future educational achievements of your students?

Very worried

Moderately worried

Someti
mes
worried

Only a little
worried

Not worried at all

6. Are you seeing any continued effects of the COVID-19 pandemic on the students in your school (academic or social)?

Yes/No

If "Yes": What are those effects? _____

7. Are you seeing any continued effects of the COVID-19 pandemic on the teachers in your school?

Yes/No

If "Yes", What are those effects? _____
