

Directions to the Vanderbilt BAT Lab

my.vanderbilt.edu/batlab/

BAT

Biomechanics & Assistive Technology

Address **Olin Hall**

Olin Hall Room 506
2400 Highland Avenue
Nashville, TN 37212

Due to new building construction west of Olin Hall, the entrances are on the south side (Highland Ave) and north side (Garland Ave) of the building. Once inside the building, walk straight to the end of the hall, then descend half a flight of stairs to reach the passenger elevators. Take elevator to 5th floor (room 506). Alternatively, if you enter on south side of building (from Highland Ave), then the service elevator is located immediately to your right, and may also be ridden to the 5th floor.

Parking

25th Ave Parking Garage is located just south of Olin Hall.

Guest parking entrance is on Highland Ave.

Research participants please let us know in advance if you are driving and need a parking pass.
