

Myrna Wooders

CURRICULUM VITAE

NAME Myrna WOODERS

ADDRESS Department of Economics
Vanderbilt University
PMB #351819
2301 Vanderbilt Place
Nashville, TN 37235-1819

Telephone: (+1) 615 343 0461 (office)
Vanderbilt Email: myrna.wooders@vanderbilt.edu
All Other Email myrna.wooders@gmail.com
url: www.myrnawooders.com

EDUCATION

Ph.D., University of Minnesota. Supervisor: Nobel Laureate Professor Leonid Hurwicz

POSITIONS AT UNIVERSITIES

Professor of Economics, Vanderbilt University, 2004 –

Professor of Economics, University of Warwick, 1999 –2008
(Part time from 2004 to 2008)

Professor of Economics, University of Toronto, 1987-1999

Associate Professor, University of Toronto, 1981-1987

Visiting Fellow, the COWLES Foundation, Yale University, Fall 1980.

Lecturer, Department of Economics, SUNY-Stony Brook, 1976-1980.

Other Visiting and Research Positions at Universities

University of Queensland, June-July 2012
Research Professor, University Paris-Dauphine April-May 2012
University of New South Wales, February 2012
University of Sydney, January 2012
University Technology of Sydney, Summer 2011
Paris School of Economics, Summer 2009
University of Queensland, September 2007
International Research Visitor, Institute for Fiscal Studies, UCL
National University of Singapore March 2007

Myrna Wooders

University of Paris 1- Sorbonne and CERMSEM, June 2001 and June 2002

University of the Basque Country, Bilbao, March 1999

University of Bielefeld, February 1999

Tilburg University, April 1999

University of Cergy-Pontoise, May 1999

Autonomous University of Barcelona Fall 1994

University of Alabama Spring 1995

Hebrew University Department of Mathematics Spring 1988

Centre for Interdisciplinary Research, University of Bielefeld, Fall 1987

EDITORIAL BOARD AND OTHER POSITIONS

1998- Editor, *Journal of Public Economic Theory*, (JPET).

2002- President, *Association for Public Economic Theory*

2012 Associate Editor of the *Journal of Dynamics and Games*, a journal of the American Institute of Mathematical Sciences.

2011 Guest Editor for a special issue of *International Journal of Economic Theory*, with Kazuo Nishimura and Makoto Yano (February 2013)

2004 Guest editor (with Rabah Amir, Robert Aumann, and James Peck) of a special issue of *Games and Economic Behavior* in honor of Martin Shubik

2004 Guest editor (with Bernard Cornet, Hubert Kemp and Cuong Le Van) of a special issue of *Les Annales d'Economie et de Statistique*.

2000 Founding editor of *Economics Bulletin*

1997 Guest co-editor for a Special Issue of *Social Choice and Welfare*

MEMBERSHIP IN ACADEMIC ORGANIZATIONS

Econometric Society (Fellow)

Society for the Promotion of Economic Theory (Fellow)

Society for Economic Measurement (Advisory Council Member)

Association for Public Economic Theory (President)

Game Theory Society (Charter Member and Former Council Member)

Myrna Wooders

European Economic Association (member)

ACADEMIC HONORS

Economic Theory Fellow 2011

Fellow of the Econometric Society, 2001

Scientific Organizer, 2016 Latin American Meetings of the Econometric Society (LAMES)

Charter Member of the Game Theory Society 1999

Council Member of the Game Theory Society (2006-2009)

Program Committee Chair of the 1994 Summer Meetings of the Econometric Society, Quebec City.

Humboldt Forschungspreis für Ausländische Geisteswissenschaftler (Research Prize, Spring & Summer 1991) for Foreign Scientists in the Humanities, from the German Humboldt Foundation)

Connaught Fellowship in the Social Sciences 1990

Woodrow Wilson Fellow

RESEARCH CENTER and WORKING GROUP MEMBERSHIP

Human Capital and Economic Opportunity; A Global Working Group
Director; James Heckman, <http://bfi.uchicago.edu/humcap/>

Van Xuan University Center of Research in Economics and Management,
Vietnam
Director, Cuong Le Van,
<http://www.vcrem.edu.vn/Aboutus/tabid/85/language/en-US/Default.aspx>

International Research Fellow of the Institute for Fiscal Studies (IFS),
London, UK
Director; Richard Blundell <http://www.ifs.org.uk/>

Fellow of the CESifo Research Network, Munich, Germany
Director; Hans Werner Sinn <http://www.cesifo-group.de/>

INVITED PLENARY AND KEYNOTE LECTURES

Semi-Plenary Lecture: “Own experience, prejudice and discrimination.” *Third Brazilian Workshop of the Game Theory Society*, Sao Paulo, July 2014.

Semi-Plenary Lecture: “Strategic equilibrium in club and coalition economies,” *Asian Meetings of the Econometric Society*, December 2012.

Semi-Plenary Lecture: “Strategic equilibrium in club and coalition economies,” *Australasian Meetings of the Econometric Society*, Melbourne July 2012.

Keynote Lecture: “Games with many players as models of competitive economies,” *Second UECE Lisbon Meetings in Game Theory and Applications*, November 2010.

Keynote Lecture: “Games with many players as models of competitive economies”
General Equilibrium Theory in Asia, Hanoi, August 2010.

Plenary Lecture: “Games with many players as models of competitive economies” *Second Brazilian Workshop of the Game Theory Society*, San Paulo, August 2010.

Plenary Lecture: “A strategic market game approach for the private provision of public goods,” (with M. Faias and E. Moreno), *Journee Louis-Andre Gerard-Varet 10th Anniversary Tribute*, Marseille, June 2010.

Keynote Lecture: “Games with many players as models of large economies,” *Third International Conference on Game Theory and Management*, June 24-26, 2009 in St. Petersburg (Russia).

Plenary Lecture: “Small groups in large economies; Past, present and future,” *Public Economic Theory 09 Galway* (Ireland), June 2009.

Plenary Lecture: “Conformity, correlation and equity,” *SING* (Spanish, Italian, Netherlands Game Theory) Meeting, June 2006.

Keynote Lecture: “Strategic basins of attraction, the path-dominance core and network formation games,” *GameNets Workshop*, Pisa, October 2006.

Plenary Lecture: “Market games, inequality and the equal treatment property of the core,” *16th International Conference on Game Theory*, State University of New York – Stony Brook, July 2005.

Myrna Wooders

Plenary Lecture: “Behavioral Conformity in Games with Many Players,” 15th International Game Theory Conference, Stony Brook, New York, July 2004.

RECENT INVITED LECTURES (2009 -)

“Existence of equilibrium with unbounded short sales: A new approach” (with G. Koshovoy and Cuong Le Van) Paris 1 Summer Workshop in Economic Theory July 2015

“On the simultaneous emergence of money and the State,” (with G. Giraud), Paris 1 Summer Workshop in Economic Theory June 2014 and FGV/EPGE Game Theory Workshop, August 2014.

Existence of equilibrium with unbounded short sales; an elementary approach” (with V. Danilov, G. Koshovoy, F. Page), SAET, Brisbane June 2012.

“A strategic market game approach for the private provision of public goods,” (with M. Faias and E. Moreno), MINT3 (Models of Influence and Network Theory) workshop, Paris 1, May, 2012.

“A strategic market game approach for the private provision of public goods,” (with M. Faias and E. Moreno), University of Luxembourg, Department of Economics.

“Subgame perfect cooperation in an extensive game,” (with P. Chander), Monash University, February 2012.

“Subgame perfect cooperation in an extensive game,” (with P. Chander), University of Dauphine, Paris, April 2012

“Existence of equilibrium with unbounded short sales; an elementary approach” (with V. Danilov, G. Koshovoy, F. Page), Paris 1, April 2012.

The theory of clubs and competitive coalitions,” Paris 1, *Workshop on Economic Theory*, December 2011.

“The theory of clubs and competitive coalitions,” *Workshop on Cooperation, Matching and Collective Goods*, San Luis, Argentina, November 2011

“A strategic market game approach for the private provision of public goods,” (with M. Faias and E. Moreno), IUPUI Department of Economics, October 2011.

Myrna Wooders

“A strategic market game approach for the private provision of public goods,” (with M. Faias and E. Moreno), *University of Exeter Workshop on Economic Theory* in honor of Cuong Le Van, September 2012.

“Competition and Cooperation,” Jacques Morgenstern colloquium, April 2011, at INRIA Institute of Sciences and Technology of Information and Communication, University of Nice Sophia Antipolis, April 2011.

“Share equilibrium in Economies with Local Public Goods, (with A. van den Nouweland), Catholic University of Lisbon, April 2011.

“Share equilibrium in Economies with Local Public Goods,” (with A. van den Nouweland), University of Technology Sydney, March 2011.

“Strategic network interdiction,” (with F. Page) Universities of Lyon and St. Etienne, July 2010, invited presentation.

"Share equilibrium in economies with local public goods," (with A. van den Nouweland) University of Kansas, December 2010, Workshop on Economic Theory, invited speaker.

"Subgame perfection in extensive form games," (with P. Chander) MINT (Models of Influence and Network Theory) Workshop, Paris 1, October 2010, invited speaker.

"Share equilibrium in economies with local public goods," (with A. van den Nouweland) Sorbonne Workshop of Economic Theory, June 2010, invited speaker.

Conference on Behavioral and Quantitative Game Theory, Newport CA, May 2010, invited panelist.

"Share equilibrium in economies with local public goods," (with A. van den Nouweland) Conference on Behavioral and Quantitative Game Theory, Newport CA, May 2010, invited speaker.

“NTU games with Many Players,” (with N. Allouch) CRETA-IAS Workshop on Competition and Cooperation, Warwick, April, 2010, invited speaker.

"Share equilibrium in economies with local public goods," (with A. van den Nouweland) 2009-2010 Symposium in Complexity Science, Game Theory and its Applications, April 2010, Warwick University, invited speaker.

Myrna Wooders

“Share equilibrium in economies with local public goods,” (with A. van den Nouweland) Exeter Workshop on Economic Theory, June 2010, invited speaker.

"Social conformity," (with E. Cartwright) Louisiana Workshop on Networks, February 2010, invited speaker.

“Conformity and stereotyping in social groups,” (with E. Cartwright), Colloquium “Collective choice and economic design” in honor of Professor Frans Spinnewyn, University of Leuven, Belgium.

“Emergent network dynamics and strategic social interactions,” (with F. Page) Coalition Theory Network Annual Meeting, Maastricht, Netherlands, January 2009.

“Dynamic club formation with coalitional deviations,” (with T. Arnold). International DIME Conference on the Formation of Economics and Social Networks, Paris (France) June 2009

OTHER PROFESSIONAL HONORS

2014 Member of the Program Committee of Sao Paulo School of Advanced Sciences International Workshop on Game Theory and Economic Applications of the Game Theory Society, July 2014.

2013 Member of the Scientific Committee of the Society for Advancement of Economics Theory, Paris 2013 Meeting.

2012 Member of the Program Committee UECE Lisbon Meetings 2012 Game Theory and Applications, Lisbon 2012.

2011 Member of the Program Committee UECE Lisbon Meetings 2011: Game Theory and Applications, Lisbon 2011.

2010 Member of the Program Committee of the Brazilian Workshop in Game Theory, San Paulo, Brazil, August 2010.

2010 Member of the Organizing Committee of the NSF-sponsored conference, “Behavioral & Quantitative Game Theory Conference on Future Directions,” Newport Beach, California, May 2010.

2009 Member of the Program Committee of the Third Annual Conference on Game Theory and Management, St. Petersburg, Russia, June 2009.

2009 Member of the International Scientific Committee of the Society for the Advancement of Economic Theory Conference, Ischia, Italy, June 2009.

Myrna Wooders

2006 Member of the Program Committee for the 2006 Vienna Econometric Society Meetings

2004 Member of the Program Committee for Theoretical and Applied Economics of the Econometric Society European Meetings, Madrid 2004.

2001-2004 Elected Member of the Royal Economic Society Women's Committee.

1996 Program Committee Member for the 1997 Canadian Public Economics Workshop

1995 Program Committee Member for the 1996 Meetings of the Social Choice and Welfare Society Conference

1995 Program Committee Member for the 1996 St. Petersburg International Conference on Game Theory

1994 Professors Visitants Fellowship, 1994. Direccio General d'Universitats of Catalonia.

1994 Organizer of the 1994 Decentralization Conference, sponsored by the National Bureau of Economic Research and the SSHRC

1994 Member of the Program Committee of the 2nd International Conference on Social Choice and Welfare (Rochester, July 1994)

1992-1993 President, Women Economists Network of Canada

1990 - 1992 Board Member, American Economic Association Committee on the Status of Women in the Economics Profession (CSWEP)

MINI COURSES

"Coalitions, Clubs and Networks," Sao Paulo School of Advanced Sciences International Workshop on Game Theory and Economic Applications of the Game Theory Society, to be held July 2014.

"Diversity in Clubs," New Economic School, Moscow, December 2013.

"Competitive Markets and Games, Networks, and Social Behavior," Wuhan University, August 2008.

Myrna Wooders

“Networks; A mini-course,” University of Queensland, Australia September 2007.

“Club Theory and the Theory of Local Public Goods,” National University of Singapore, March 2007

“Topics in Game Theory,” Wuhan Military College of Economics, September 2001

“Club Theory and the Theory of Local Public Goods,” Tilburg University, 1999

“Club Theory and Cooperative Games,” University of Bielefeld, 1999

PUBLICATIONS: Books

1. *Group formation in economics; Networks, clubs and coalitions*, (with Gabrielle Demange), eds., January 2005, Cambridge University Press: Cambridge/New York/Port Melbourne/Madrid/Cape Town.
2. *Topics in Mathematical Economics and Game Theory; Essays in Honor of Robert J. Aumann*, American Mathematical Society Fields Institute Communication (1999).

PUBLICATIONS:

Articles

3. “On approximate cores of NTU games,” (with N. Allouch), under review.
4. “Neutrality with multiple public and private goods,” (with M. Faias and E. Moreno) *Math. Social Sciences* (to appear).
5. A Strategic Market Game Approach for the Private Provision of Public Goods (with M. Faias and E. Moreno), *Journal of Dynamics and Games* 1.2 (2014): 283-298.
6. “Small improving coalitions and small group effectiveness,” *International Journal of Economic Theory* 9, Special issue in honor of Cuong Le Van (2013), 11-21.
7. “Macroeconomic dynamics and its micro foundations: A special issue in honor of Cuong Le Van,” (with K. Nishimura and M. Yano), *International Journal of Economic Theory* 9 (2013), 1-9.

8. "Subgame perfect cooperation in an extensive game," (with P. Chander), under review.
9. "The partnered core of a game with side payments" (with P. Reny and E. Winter), *Social Choice and Welfare: Volume 39, Issue 2* (2012), 521-536. (<http://www.springerlink.com/openurl.asp?genre=article&id=doi:10.1007/s00355-012-0651-9>)
10. "Correlated equilibrium, conformity and stereotyping in social groups" (with E. Cartwright), *Journal of Public Economic Theory*, [Volume 16, Issue 5, pages 743-766, October 2014](#), DOI: 10.1111/jpet.12078.
11. "The theory of clubs and competitive coalitions," *Annual Review of Economics*, edited by K. Arrow and T. Bresnahan, September 2012, Vol 4595-627.
12. "Introduction to the coalition theory network special issue," (with F. Bloch, J-J Herings, and B. Klaus), *Journal of Public Economic Theory* 13 (6), 2011, pp. 883-884.
13. "Share equilibrium in economies with local public goods," (with A. van den Nouweland), *Journal of Mathematical Economics*, *Volume 47 (3) May 2011*, pp. 376-381, <http://www.sciencedirect.com/science/article/pii/S0304406811000139>
14. "Decentralized job matching," (with G. Haeringer), *International Journal of Game Theory*, [International Journal of Game Theory Volume 40, Number 1](#) (2011), 1-28, DOI: 10.1007/s00182-009-0218-x
15. "Cores of many player games; nonemptiness and equal treatment," *Review of Economic Design* DOI: 10.1007/s10058-009-0095-6.
16. Club networks with multiple memberships and noncooperative stability (with F. Page) *Games and Economic Behavior*, *Volume 70, Issue 1, September 2010, Pages 12-20*. Reprinted in [Coalitions and Networks](#), Carlo Carraro, ed. FEEM Press, Venice.
17. "Strategic basins of attraction, the path dominance core, and network formation games," (with F. Page), *Games and Economic Behavior* *Volume 66, Issue 1* (May 2009), Pages 462-487.
18. "Networks and stability," (with F. Page), *Encyclopedia of Complexity and Systems Science*, Springer Publishing Co., (2009) pages 6024-48.
19. "Markets and games," *Encyclopedia of Complexity and Systems Science*, Springer Publishing Co., (2009) pages 5359-57.

20. "But what have you done for me lately? Commercial publishing, scholarly communication and open access," *Economic Analysis and Policy* 39 (March 2009), 71-87.
21. "On ex-post purification of equilibrium," (with E. Cartwright), *International Journal of Game Theory* 38, (2009), 127-136.
22. "On equilibrium in pure strategies in games with many players" (with E. Cartwright) *International Journal of Game Theory* 38, (2009), 137-153.
23. "Price taking equilibrium in economies with multiple memberships in clubs and unbounded club sizes, "(with N. Allouch), *Journal of Economic Theory, Volume 140, Issue 1, May 2008, Pages 246-278.*
24. "Anonymous price taking equilibrium in Tiebout Economies with a continuum of agents; Existence and characterization" (with N. Allouch and J. Conley) *Journal of Mathematical Economics, Volume 45, Issues 9-10, 20 September 2009, Pages 492-510*
25. "Public good differentiation and the intensity of tax competition," (with B. Zissimos), *Journal of Public Economics, Volume 92, Issues 5-6, June 2008, Pages 1105-1121.*
26. "Small group effectiveness, per capita boundedness and nonemptiness of approximate cores," *Journal of Mathematical Economics, Volume 44, Issues 7-8, July 2008, Pages 888-906*
27. "On large games with bounded essential coalitions," (2008) (with E. Winter), *International Journal of Economic Theory*, in a special issue in honor of [Takashi Negishi](#).
28. "Coalitions," (with F. Page) in *The New Palgrave Dictionary of Economics*, Second Edition, eds. S. Durlauf and L. Blume, Palgrave MacMillan: Basingstoke and New York, 2008.
29. "Olga Bondareva," in *The New Palgrave Dictionary of Economics*, Second Edition, eds. S. Durlauf and L. Blume, Palgrave MacMillan: Basingstoke and New York, 2008
30. "Networks and clubs" (with F. Page), *Journal of Economic Behavior & Organization*, Volume 64, Issues 3-4, November-December 2007, 406-425.
31. "Protests and reputation" (with L. Buenrostro and A. Dhillon), *International Journal of Game Theory* 35, 2007.

Myrna Wooders

32. "Mimetics and voting: How nature makes us public spirited (with J. Conley and A. Toosi), *International Journal of Game Theory* 35, 2006.
33. "Risky arbitrage, asset prices and externalities," (with C. Le Van and F. Page, *Economic Theory* 33, #3, December 2007, 475-491
34. "Tax competition revisited," (with A. Dhillon and B. Zissimos) *Journal of Public Economic Theory* Volume 9, Issue 3, Page 391-423, Jun 2007, doi: 10.1111/j.1467-9779.2007.00312.x
35. "Behavioral conformity in games with many players," (with E. Cartwright and R. Selten), *Games and Economic Behavior*, Volume 57, Issue 2, November 2006, Pages 347-360
36. "The Law of Demand in Tiebout economies," (with E. Cartwright and J. Conley), in *The Tiebout Model at Fifty*, William A. Fischel (ed), Lincoln Institute of Land Policy, Cambridge, Massachusetts (2006).
37. "Comparative statics and laws of scarcity for games," *Essays in Honor of Marcel K. Richter*, Daniel McFadden and Rosa Matzkin eds. (2006).
38. "Games and economies with near exhaustion of gains to scale," *Group formation in economics; Networks, clubs and coalitions*, G. Demange and M. Wooders, eds., Cambridge University Press (2005).
39. "Networks and farsighted Stability," (with F. Page and S. Kamut), *Journal of Economic Theory*" (2005).
40. "Laws of scarcity for a finite game; Exact bounds on estimation," (with A. Kovalenkov) *Economic Theory* 26, Number 2 (August 2005); 383 – 396.
41. "Advances in the theory of large cooperative games and applications to club theory; the side payments case," (2004) (with A. Kovalenkov) in *The Endogenous Formation of Economic Coalitions*, Carlo Carraro ed., Edward Elgar Cheltenham, UK/Northampton, MA, USA.
42. "Hedonic Independence and Taste Homogeneity of Organizations with Crowding Types," (with J. Conley), *Les Annales d'Economie et de Statistique* (2004).

118. "Reinhard Selten; An Interview" (in progress)

REVIEWER FOR:

Journals: *Journal of Political Economy*, *American Economic Review*, *Canadian Journal of Economics*, *Econometrica*, *Economics Bulletin*, *Economics Letters*, *Games and Economic Behavior*, *International Economic*

Myrna Wooders

Review, Journal of Economic Theory, Journal of Mathematical Economics, Journal of Public Economics, Review of Economic Studies, International Journal of Economic Theory, and others.

Other: Economic and Social Research Council, National Science Foundation, Social Sciences and Humanities Research Council of Canada, Econometric Society European Meetings 2006, and others.

RESEARCH FUNDING

Research Grants

NSF "Theory and Application of Mechanism Design for Team Formation" (with E. Vorobeychik), sponsored by the Division of Information and Intelligent Systems of the NSF.

NSF Conference Series on Network Science in Economics, 2014-2018, sponsored by the Economics Division.

Kirk Dornbush Research Assistantship (with Andrew Dustan and graduate student Martin Van der Linden)

Faculty/Graduate Student Collaborative Research Grant (with Andrew Dustan and graduate student Martin Van der Linden)

British Academy/National Science Council Taiwan: Asian and European Political Economy: Game Theoretic Studies. 2003-2005

Economic and Social Research Council (UK): Multijurisdictional Economies: Trade and Tax/Amenity Competition, October 2000 - September 2002

Social Sciences and Humanities Research Council of Canada, Principal Investigator, continuous funding from 1982 to 1999.

Natural Sciences and Engineering Research Council of Canada, Principal Investigator, funding from 1984 to 1996.

Humboldt Senior Research Award 1991

Connaught Senior Fellowship 1991-1992

CONFERENCE/SEMINAR FUNDING AND ORGANIZATION

PET 15 Luxembourg, Co-Chair of the Organizing Committee

Myrna Wooders

PET 14 Seattle, Co-Chair of the Organizing Committee

PET 13 Lisbon, Co-Chair of the Organizing Committee

UECE Lisbon Meetings 2012 in Game Theory and Applications, Member of the Scientific Committee

PET 12 Taipei, Co-Chair of the Organizing Committee

PET 11 Indiana, Co-chair of the Organizing Committee

PET 10 Istanbul, Turkey, June 2010, Co-Chair of the Organizing Committee

PET 09 Galway, held in Galway, Ireland, June 2009, Co-Chair of the Organizing Committee

PET 08 Seoul, held in Seoul, Korea, June 2008, Co-Chair of the Organizing Committee

PET 07 Hanoi, held at Vanderbilt University, June 2007, Co-Chair of the Organizing Committee

PET 06 Hanoi, held in Hanoi July 30-August 3rd, 2006, Co-Chair of the Organizing Committee

PET 05 Marseille (in conjunction with the 4th journees Louis Andre Gerard-Varet), held in Marseille June 16-18th, Co-Chair of the Organizing Committee.

PET 04 Peking, Funded in part by the World Bank, Warwick University and Vanderbilt University and by the Guanghua School of Management of Peking University, Organizing Committee

PET 2002 Paris, Co-Chair of the Organizing Committee

PET 2000 Warwick, Co-Chair of the Organizing Committee

PET 1998 Alabama, Co-Chair of the Organizing Committee.

Economic and Social Research Council (UK) Seminars Competition: Socio-Economic Dynamics. 2003-2005

British Academy Conference Grant July 2001.

British Academy Conference Grant July 2000

European Union: PET 2000, The 2nd International Conference on Public Economics, July 2000.

Myrna Wooders

Funding from the Fields Institute, the SSHRC, and the Canadian Friends of the Hebrew University for a conference on "New Directions in Theory of Markets and Games", 1994,

Social Sciences and Humanities Research Council of Canada (SSHRC) funding for the 1994 NBER Decentralization Conference.

RECENT PhD STUDENTS

In effect, I shared the supervision of Alexander Kovalenkov (now at the *University of Glasgow*, with Salvador Barbera (Autonomous University of Barcelona).

Ben Zissimos, now at University of Exeter. Thesis title: *Aspects of International Policy and Cooperation*

Edward Cartwright, first in a CNRS-supported international postdoctoral position at Paris 1 and then, since 2004, at the University of Kent. Thesis title: *Bounded rationality, social conformity and large games*.

Gianluigi Vernasca: now at University of Essex. "Topics in applied game theory and microeconomics".

Fabio Arico (St. Andrews University), "Matching models for technological change, growth and unemployment: A strategic approach with heterogeneous agents" (tentative thesis title)

Valeska Groenert, Doctoral Fellow, Autonomous University of Barcelona

Yariv Fadlon, now at Claremont Graduate School of Economics

Sunghoon Hong, now at Korean Institute for Public Finance

Tamara Trafton, now at Quest University.

Member of the Ph.D. Committee (Recent)

Alper Nakkas, Current student, Vanderbilt

Jean-Francois Caullier, Current student, University of Saint-Louis, Brussels

Nizar Allouch, Paris1 Sorbonne-Pantheon 2001

Alexander Herzog-Stein, Warwick University 2007

Myrna Wooders

Cavelle Creighton, University of Warwick 2000.

RECENT SELECTED CONFERENCE AND OTHER PRESENTATIONS

“Social Conformity,” Workshop on “Social Diversity and Public Policy”, New Economics School, Moscow December 2013.

“Social Conformity,” Society for the Advancement of Economic Theory Conference, MINES Paris Tech, July 2013.

“Social Conformity and Discrimination,” Game Theory Seminar Series Paris, Institute Henri Poincaré, June 2013.

“Social Conformity,” PET 2013 Lisbon (Public Economic Theory) July 2013.

“Money and the emergence of the state,” (joint with G. Giraud), MYRA School of Business, Mysore India, Workshop on Governance, December 2012.

“Subgame perfect cooperation in an extensive game,” (with P. Chander), Australian Economic Theory Workshop, Sydney, February 2012.

“A strategic market game approach for the private provision of public goods, PET 11 Bloomington, June 2011.

“Share equilibrium in economies with local public goods,” PET 10 Istanbul, June 2010.

“Share equilibrium in economies with local public goods,” Coalition Theory Network, Marseilles, June 2010.

“Conformity and stereotyping in social groups,” (with E. Cartwright), Workshop on Behavioral Economics, Stony Brook (New York, USA) July 2009.

“Dynamic club formation with coalitional deviations,” (with T. Arnold). PET 09 Galway (Ireland) June 2009.

“Endogenous Network Dynamics,” (with F. Page) XVIII European Workshop on General Equilibrium Theory (EWGET09).

“Conformity and stereotyping in social groups,” (with E. Cartwright), Society for the Advancement of Economic Theory (SAET) Ischia, Italy, Conference, July 2009.

“A strategic model of club formation; Existence and characterization of equilibrium,” PET 08 Seoul (June 2008).

Myrna Wooders

“A strategic model of club formation; Existence and characterization of equilibrium,” PET Workshop on Leadership, Altruism and Social Organization, June 2008.

“Conformity, correlation and equity,” (with E. Cartwright), European Meetings of the Econometric Society, Budapest, August 2007.

“Conformity, correlation and equity,” (with E. Cartwright), PET 07 Vanderbilt, July 2007..

Society for the Advancement of Economic Theory Conference, June 2007

DIME Workshop on Networks Paris, (2008), invited speaker

"The Tiebout Hypothesis: On the existence of Pareto Efficient competitive Equilibrium," (with N. Allouch and J. Conley), University of Melbourne, Australia, September 2007, invited speaker.

The Tiebout Hypothesis: On the existence of Pareto Efficient competitive equilibrium," (with N. Allouch and J. Conley), University of Queensland, Australia, September 2007.

“Conformity, correlation and equity,” (with Edward Cartwright), PET 07 Hanoi, July 2006.

“Conformity, correlation and equity,” (with Edward Cartwright), Stony Brook Game Theory International Conference, July (2006).

“Conformity, correlation and equity,” the Center for Rationality, Hebrew University, Jerusalem, March 2006, invited speaker.

“Conformity, correlation and equity,” the University of Indiana, Bloomington, March 2006, invited speaker.

“Strategic basins of attraction, the path-dominance core and network formation games,” (with F. Page), 11th Annual Coalition Theory Network (CTN) meeting, University of Warwick, January 2006, invited speaker.

“Strategic basins of attraction, the path-dominance core and network formation games,” (with F. Page), Department of Mathematics, University of Warwick, January 2006, invited speaker.

“Small group effectiveness,” presented at General Equilibrium in Rio, January 2006.

“On equilibrium in pure strategies in games with many players,” SAET conference, held in Vigo in July 2005.

Myrna Wooders

“On equilibrium in pure strategies in games with many players” (with E. Cartwright) and “Market games, inequality and the equal treatment property of the core,” Conference on Uncertainty and Information in Economics, National University of Singapore, June 2005, invited speaker.

“The equal treatment property of the core of a large game,” Naval Postgraduate School. Monterey, January 2005, invited speaker.

“Behavioral conformity in games with many players,” ISER University of Osaka, June 2005, invited speaker.

“Behavioral conformity in games with many players,” Birmingham Workshop on Economic Theory, July 2004, invited speaker.

Stony Brook Workshop on Political Economy, 2004, invited speaker.

“On equilibrium in pure strategies in games with many players,” University of Venice conference on General Equilibrium, June 2004.

“Female competition, evolution, and the battle of the sexes,” Conference on *Socio-Economics, Networks and Markets*,” held at the University of Warwick in London, May 2005.

“Behavioral conformity in games with many players,” Society for Economic Design Conference, Mallorca, July 2004.

Selected Working Papers

“Large games and competitive markets; Theory,” University of Bonn Sonderforschungsbereich 303 DP B-195. November 1991. Abstract: <http://www.wiwi.uni-bonn.de/sfb303/sonderforschungsbereich.eng.html>

“Large games and competitive markets; Applications,” University of Bonn Sonderforschungsbereich 303 DP B-196. November 1991. Abstract: <http://www.wiwi.uni-bonn.de/sfb303/sonderforschungsbereich.eng.html>

RECENT INTERDISCIPLINARY and SERVICE ACTIVITIES OUTSIDE VANDERBILT

Member of Queensland University School of Economics Seven Year Review, August 2015.

Chair of the Review Committee for the Mathematical Economics Program at the University of Kentucky

Myrna Wooders

President, Association for Public Economic Theory (www.apet.org/), 2002-

Complexity Science Advisory Board, University of Warwick,
(http://www2.warwick.ac.uk/fac/cross_fac/complexity/people/advisoryboard/
) 2004-

Scholarly Web Portal Webmaster, (<http://www.accessecon.com/>)
Accessecon.com, 2007 - 12

Co-Chair (with Jean Marc Bonnisseau, Vice-President of Paris 1) of the 2013 graduation ceremony of the European Doctorate Erasmus Mundus EDE-EM, part of the Paris School of Economics and jointly organized by the Universities of Amsterdam, Bielefeld, EHESS-Paris, Louvain, Paris 1 and Ca' Foscari di Venezia, Lisbon.

Member of the Scientific Committee for the Advancement of Economic Theory, 2013.

Member of the International Scientific Committee for the Society for the Advancement of Economic Theory Conference, Ischia, June 29-July 5, 2009.

Member of the Program Committee of the World Congress of the Game Theory Society, July 12-16, 2008 at Northwestern University.

Member of the Program Committee of the *International Conference on Game Theory and Management*, St. Petersburg, Russia, June 28-29, 2007.

Member of the Scientific Committee of the XVI European Workshop on General Equilibrium. June 9-10, 2007, University of Warwick, UK.

Local Coordinator of the Vanderbilt Node in the Coalition Theory Network

Advisory Scientific Expert for the European Science Foundation funded project, *Public Goods, Public Projects and Externalities*.

Organizer (with Amrita Dhillon) of the MIR@W workshop on *Coalition Theory and Networks*, held in the Department of Mathematics, University of Warwick 2006.

Organizer (with Amrita Dhillon) of the 11th annual workshop of the Coalition Theory Network, held at the University of Warwick, January 2006.

Member of the Program Committee (referee) for Theoretical and Applied Economics of the Econometric Society European Meetings, Vienna 2006.

Principal Investigator (one of six) on the European Union funded research project *Unifying Networks for Science and Society*, 2005-2008.

Myrna Wooders

Leader of an ESRC Interdisciplinary Research Seminar Series (2002-2005) on *Social Dynamics*,
Involving mathematicians, psychologists, sociologists, and physicists, besides economists and game theorists. The final workshop in the series was held in London, May 9th-11th, 2005.

Organizer of a [MIR@W](#) (Mathematical Interdisciplinary Research at Warwick day on in February 2003, on *Culture, Evolution and Memes*, with keynote speaker Susan Blackmore, psychologist and author of *The Meme Machine*, and other speakers from psychology, sociology, mathematics and physics.

Organizer of a [MIR@W](#) day on *Networks in Application*, involving mathematicians, physicists, game theorists, and economists.

Member of the Review Board of the University of Aix-Marseille 2002

Organizer of a [MIR@W](#) day on *Bargaining*, November 2001, involving Mathematics and Economics.

Vice-President, Association for Public Economic Theory, 1999-2002

Member of the Review Committee for the Department of Economics of Bowdoin College

And the PET Conferences:

SERVICE TO VANDERBILT

Faculty Senate ad hoc Faculty Manual Revision Committee, August 2014-

Member of the Micro-economics Preliminary Exam Committee, spring and early summer 2015

Economics Graduate Exam in Microeconomics Prelim Committee (summer 2015);

Faculty Senate, elected Senator, 2013- ;

Economics Graduate Exam in Microeconomics Prelim Committee (summer 2014);

Economics Graduate Exam in Microeconomics Prelim Committee (summer 2013);

Myrna Wooders

Academic Policies and Services Committee of the Faculty Senate 2013-2014;

Economics Department Committee on Graduate Studies 2013-2014;

Chair of the Economics Department Graduate Award and Honors Committee 2013-2014;

**Faculty Advisory Council of the Vanderbilt Institute for Digital Learning
Member of the Committee 2013 -2014**

Economics Graduate Exam in Microeconomics Prelim Committee (summer 2012);

Economics Department Graduate Award and Honors Committee 2011-2012

Chair of the Micro prelim committee, (summer 2011);

Member of the Vanderbilt Economics Department Policy Evaluation and Planning Committee, 2010-2011;

Chair of the Micro-prelim committee May 2010;

Member of the Vanderbilt Economics Graduate Admissions Committee 2012-2013;

Member of the Micro-prelim committee May 2006-2011 inclusive;

Member of the Vanderbilt Economics Department Graduate Students Honors and Awards Committee, 2008-2010;

Member of SARC, 2008-2009;

Earlier: Member of the Graduate Student Recruitment Committee; Member of the Graduate Awards Committee; Instructor for two semesters of Networks and Games, an advanced theory course (offered with no teaching credit); Honors Thesis Supervisor for one student (awarded the Departmental Prize for an outstanding thesis) and; Member of the Committee on Graduate Studies (2005)
